The 7 Habits of Highly Effective Teens Sean Covey

Habit 4: Think WIN-WIN

“Think Win-Win is an attitude toward life, a mental frame of mind that says I can win, and so can you. It’s not me or you, it’s both of us. Think Win-Win is the foundation for getting along well with other people. It begins with the belief that we are all equal, that no one is inferior or superior to anyone else, and no one really needs to be” (Covey, 2015, p. 146-147). Win-Win is the mindset that everyone can win. It is the belief that there is plenty of success to go around.

Check out more details about Think Win-Win during our next **homeroom meeting on Friday, March 3rd at 10 am**, in your planner and in Sean Covey’s book.
