This year it's GAME ON!!

You've almost made it to the fall break!! Just a couple more weeks and you'll be sleeping in, eating endless turkey and cheering on your favorite football team! But before you get there, there's still work to be done. In the Nov 2 All School Assembly, your fellow classmates had some great encouragement to offer. So check that out below, and take a look at the left column on this page where Fani reminds us to set goals as you face the last stretch of the semester. The game is still on!!

"Game On" signifies a commitment to embracing your educational path with passion and determination. It's about setting goals, acquiring the skills you need, and understanding that every obstacle is just another level in the game. We'll work together to build your toolkit of strategies, from time management to goal setting, empowering you to not only survive but thrive in your academic journey.

CORRECTION: The October newsletter incorrectly listed Becky Broce as the photographer for the front page pictures. The correct photographer is **Lilly Collard**. Beautiful work, Lilly!

Monarch Mornings & Lunch Bunch

Monarch Mornings

MTW 8:00 - 8:20 am & 9:30 - 9:50 am

Monarch Mornings are an opportunity to get to know other students and do some fun activities together. We will come up with many of the activities together. We will begin with a sweet 16 coping skills/self-care activity to level up our self-regulation game.

Lunch Bunch

MTW 11:30 - 11:50 am & 12:30 - 12:50 pm

Lunch Bunch is an opportunity to grab your lunch and hang out to level up our relationships and build community. We will share stories and watch videos. Game on! It is also a great time to share outside accomplishments and projects.

Meet Your Calf

Diamond

Birthday: September 12, 2023
Gender: Heifer (Female)
Breed: Holstein
Birth Height: 28 inches
Birth Weight: 80 pounds
Owner: Farmer Stacy

Manhattan Virtual Academy K-2 classroom has adopted a class cow! Diamond is a Holstein cow born on Sept 12th at Rottinghaus Holstein Farm in Seneca, Kansas. She weighed 80 pounds and was 28 inches high. Our calf will not be living in our classroom, but will continue to live on the farm with our host family. We will receive monthly updates that include information, pictures and videos. The Adopt A Cow Program helps students learn how calves are cared for on a farm and how milk is produced. We are excited to follow her journey and learn more about dairy farming. We will also have an opportunity to visit Diamond through a virtual field trip in the spring.

Submit a favorite family SNACK recipe

Student Spotlight

We love to recognize our students and the amazing things they do both in school and out in their communities, so *feel free to send your student's information to us to share*. Thank you to all the students who let us share their stories!

Josepha modeled this on-trend ensemble for a red ribbon in Buymanship.

Josepha's creative skill on her Visual Arts project earned her a purple ribbon.

Josepha Inlow participated in the State Fair this year, bringing home ribbons in Buymanship, Visual Arts and Photography. Great work, Josepha! We're proud of you!

This amazing photo received a purple ribbon and the special award of being hung at the **Rock Springs Ranch** for a year.

The Inlow family and their bison herd had the honor of posing with Miss Rodeo Kansas, Jessica Klumpe.
